CeutiCare, LLC is a Collaborative Medication Therapy Management (CMTM) Company

CeutiCare locates pharmacists on-site at a physician's office to improve the health of chronic care patients such as diabetics, and reduces the overall cost of treatment.

CeutiCare Can Help You:

- Achieve good medical outcomes
- Get referrals to other healthcare professionals
- Better manage your medical conditions
- Understand the benefits and risks of your medications

24 hour Emergency Medication Consultation:

CeutiCare, LLC has a 24 hour emergency contact number so patients may reach a consulting pharmacist when they have concerns or questions about their medications.

For 24 hour emergency information, contact :
Allennichol@aol.com
614-506-8128
